Will the legislation have a major impact on existing City appropriations, fiscal liability or revenues? Yes \_\_\_\_\_ No X

If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion.  
 Does not create new lots, so it will not create new revenue and it will not cost the city any more because it is already receiving city services.  
 If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible.
